

Q & A Game about an NJ AAPT Member, Physics and Biophysics

Professor Gordon Thomas
thomasg@njit.edu

New Jersey's Science & Technology University

Mechanics Questions:

Spinner Gift from NJIT Physics

- What makes a spinner spin?
- How many physics concepts could you measure with it? (torque, angular distance, speed, acceleration, friction...)

Biophysics Questions:

- What can you do to increase your Oxygen?
- What can you do to slow your heart?
- Are they related?

Pulsed oximeter gift from NJIT Biophysics

Biophysics @ NJIT

New Jersey's Science & Technology University

- Theresa Wagner loved Biophysics
- She's now a technology developer in Cyber-security
- Others are now MD's, researchers and managers in bio-tech Bio, ...

Biophysics is fun @
